Principal's Message

"A Child must know that he is a miracle, that since the beginning of the world there hasn't been and until the end of the world there will not be, another child like him".

I am feeling heartfelt pride and inner pleasure for BCM Focal Point, Ludhiana. Since 1995 till now paying the best efforts for making students not only for academic purpose but also building up social values in them.

Every student can learn and be successful if provided the right support and opportunities. I believe that my role as an educator is to guide and nurture the next generation, to establish skills to achieve health, respect, prosperity and fulfillment. BCM is a great place to teach and learn. We at BCM focus majorly on providing a platform to child so that he learns about his potential.

Our teachers and staff are committed to providing all students with an appropriate and challenging educational experience in a respectful environment that fosters learning and growth.

We aspire to encourage students to reach for the stars, to accomplish great heights and conquer problems with the belief in their abilities.
